HELP SCREEN

Othello is a board game played on an 8x8 board using pieces that are (X) on one side and (O) on the other.

Players take turns placing pieces on the board with their pieces facing up.

The game starts with four pieces placed in the center of the board the player playing as back moves first players then alternate turns placing one pieces on the board each turn.

At the start of the game players are asked to write (N / New Game) to play or (H / Help) to get some information of the game or (Q / Quit) to exit the game

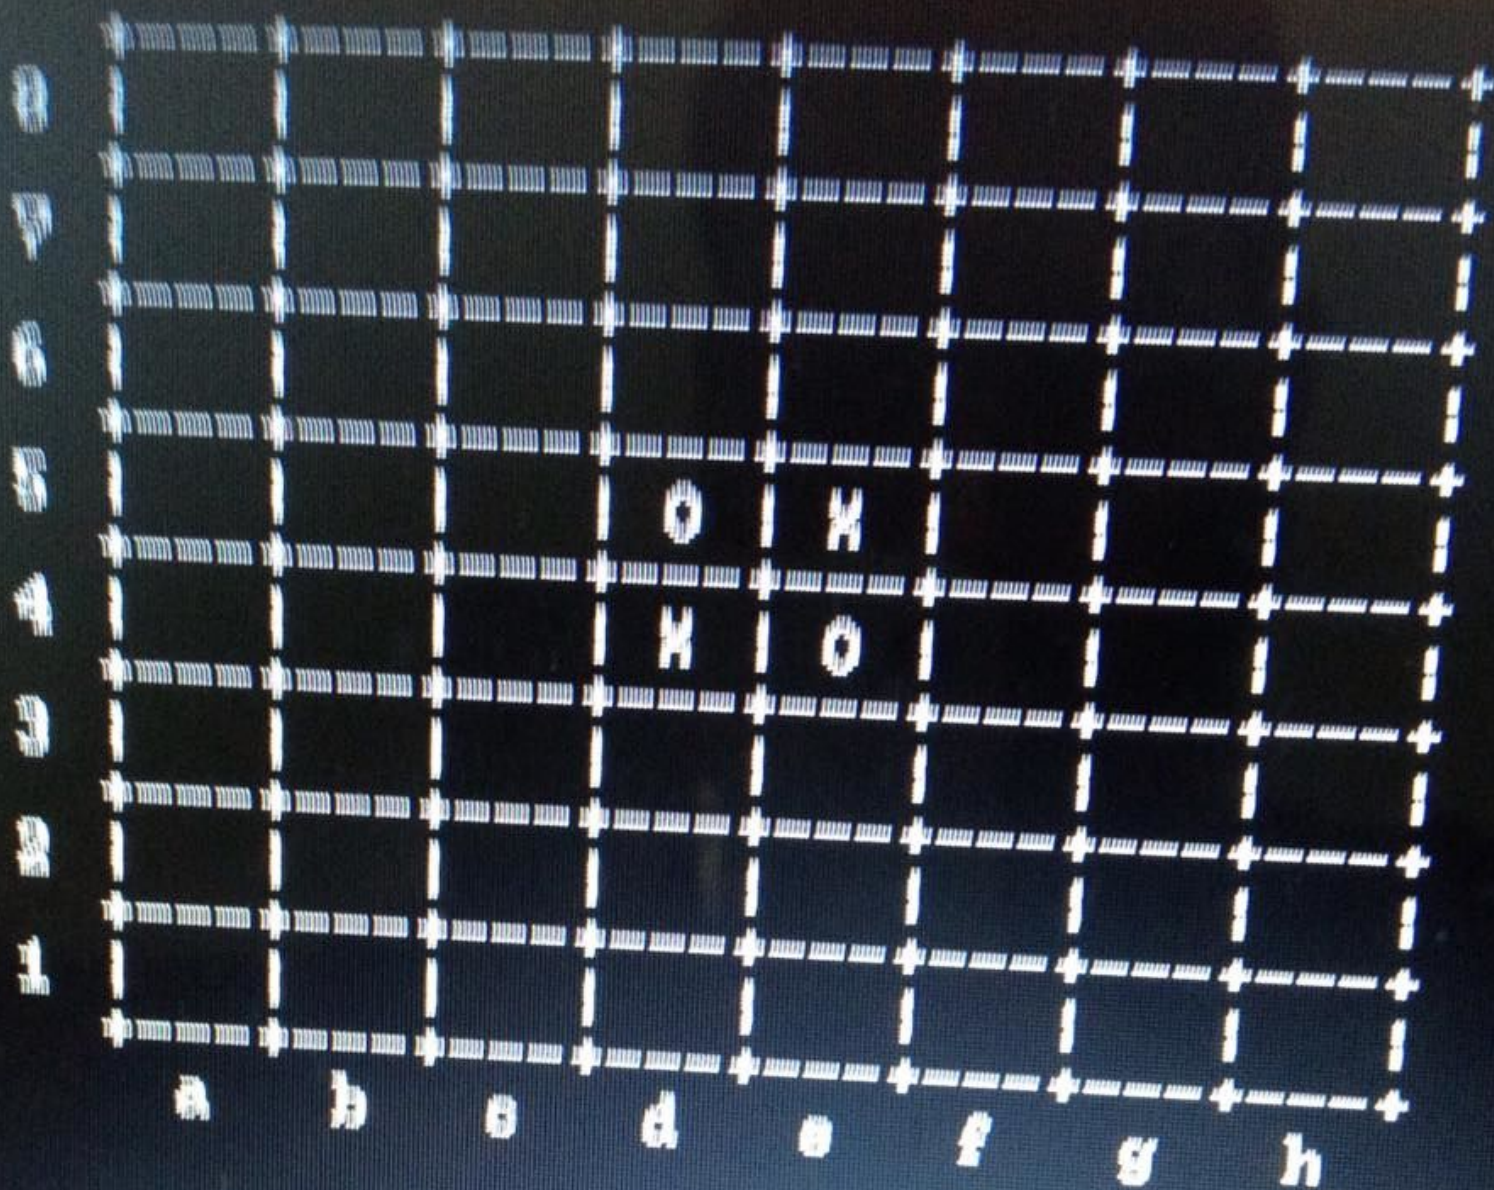

notice that all the commands must begin with a capital letter

Players can choose squares in the board to move their pieces by typing a letter for x coordinates and a number for y coordinates for example (f 4).

For a move to be considered valid the players must choose an empty square.

Players can return to main menu by typing (menu) or they may pass turn to next player if they type (next player).
